Conception

Every school and college conducts an alumni meet where they call all passed out students and let them interact with each other. It is not only about maintaining a good relationship or connection with the passed-out students but also the alumni meet makes an institute feel proud of its alumni.

The concept of alumni association evolved for needs from both the ends, i.e. academicians and professionals, in the aim of **building a bridge between college life and career life**, so that the fresher graduates are made proactive to face the current challenges of competitive professional world.
