

Post Arrival Information for International Students

Students should make sure about the following points after arriving in India

- Student will report in the International Partnership and Global Relationship (IPGR) Cell along with all the required documents and interact with the reporting officer.
- The documents will be checked and verified by IPGR staff. Students will fill the registration form and submit the required documents after reading them carefully to get registered in the respective programs.
- It is a mandatory for all International students except those from Nepal and Bhutan to get their Student Visa registered at FRRO/FRO within 14 days of arrival in India. University will guide and assist Student with all the required processes.
- Student has to report IPGR for Medical Checkup as prescribed by the rules and regulation of the University.
- Students joining the University after the prescribed time period may be denied admission.
- It is the prime responsibility of the student to visit IPGR Cell in time to complete the required documentations, so that no fine is levied against him/her.
